

Multiple Consent Authority Form

This form is to give us permission to deal directly with Centrelink for three separate things. You can give us permission for any combination of these things; you don't have to give permission for all of them.

Giving Foundation Housing authorisation for all three options means you won't have to deal directly with Centrelink about your rent. The most helpful option is the second one as this allows us to download your Centrelink statement so we can work out how much rent to charge you.

Further information about Centrelink deduction and conformation services is available from the Department of Human Services website humanservices.gov.au and our website foundationhousing.org.au/lodging-residents/info-sheets-policies, at all of our offices and can also be requested from our staff.
